

## IN THE MICHIGAN COURT OF APPEALS

### ORDER

Re: **Andrew B Burnett v Raymond Franklin**

Docket No. **278594**

L.C. No. **07-009053 AV**

E. Thomas Fitzgerald, Judge, acting under MCR 7.211(E)(2), orders:

The motion to waive fees for Jeffery Burnett is DENIED because this Court has the inherent authority to deny a motion to waive fees to curb serious abuses by persons filing motions to waive fees. As documented by the orders entered in the last four cases filed by Jeffery Burnett that denied motions to waive fees Jeffery Burnett is a serious abuser. See docket numbers 249973, 253154, 268599, and 268620. In this latest appeal, the application has substantial defects in that only one copy was filed, there was no circuit court order, no circuit court register of actions, no district court transcript, and the brief submitted contains 4 pages of assertion of facts for which there is not one reference to the lower court record. Furthermore, though listed in the case it does not appear that an Andrew Burnett is actively participating in the appeal.

Jeffery Burnett shall pay to the Clerk of this Court, within 21 days of the certification of this order, the entry fee of \$375.00 and the motion fee of \$100.00, for a total of \$475.00. Failure to comply with this order will result in the dismissal of the appeal.
